

प्रबन्धक की भूमिका प्रबंधन के परिदृश्य में

जिस प्रकार स्वस्थ शरीर में ही एक स्वस्थ दिमाग का निवास होता है, ठीक उसी प्रकार किसी संस्थान में उसके शीर्ष पर विराजमान प्रबंधक के प्रबंधन की क्षमता के अनुरूप उस संस्थान का सर्वांगीण विकास सम्भव है अन्यथा उस प्रबंधक की गलत या कमजोर प्रबंधन क्षमता की वजह से किसी संस्थान के विकास की गति प्रभावित होना तय है। आज के वैश्विक बाजार में जहां कड़ी प्रतिस्पर्धा जैसी चुनौती हर क्षेत्र में विद्यमान है वहां एक सकल एवम् कुशल प्रबंधक की भूमिका अत्यंत ही महत्वपूर्ण है। यह ठीक उसी तरह है जैसे एक परिवार को चलाने के लिये एक समदर्शी व समभावी मुखिया की आवश्यकता होती है, उसी प्रकार से संस्थान के प्रमुख की भूमिका होनी चाहिये। उसे अपने अधीनस्थ सहयोगियों की क्षमता के अनुरूप, उनके कार्य आंकलन की क्षमता, बिना किसी भेदभाव के सबको समभाव से देखने की कला तथा विपरीत परिस्थितियों में भी अपने आपको सहज बनाये रखने की कला अत्यंत ही महत्वपूर्ण है अन्यथा इसके अभाव में विकास की जगह विनाश, सफलता की जगह असफलता का प्रादुर्भाव सम्भव है।

एक सफल प्रबंधक हमेशा अपने व्यक्तिगत हित से ऊपर उठकर अपने संस्थान के लिये नित्य नये प्रयोगों द्वारा संस्थान के विकास में अपनी अहम् भूमिका निभाता है। प्रबंधन की कला का निर्माण व्यक्तिगत विकास से संभव है। एक सफल प्रबंधक अपने सौम्य एवम् मृदुल व्यवहार से अपने अधीनस्थों के दिलों में एक ऐसे व्यवहार का निर्माण कर सकता है, जिसके चलते उस संस्थान के अधीनस्थ सहयोगी पूरी निष्ठा एवम् ईमानदारी से अपने प्रबंधक के उत्तरदायित्वों को पूरा करने में समर्पित हो जाते हैं। अपने अधीनस्थों, सहयोगियों की आवश्यकता उनकी कार्यक्षमता का आंकलन एवम् उनकी आपेक्षा के अनुरूप निर्णय लेना एक सफल प्रबंधक की कार्यशैली का प्रमुख अंग है। शायद इन्ही धारणाओं को चिह्नित करते हुये महान संत कवि श्री तुलसीदासजी ने कहा है कि-

मुखिया मुख सो चाहिये, खान-पान को एक।
पाले-पोषे सकल अंग, तुलसी सहित विवेक ॥

MOTHER TERESA

MOTHER OF MERCY

“By blood, I am an Albanian. By citizenship, an Indian. By faith, I am a Catholic nun. As to my calling, I belong to the world. As to my heart, I belong entirely to the Heart of Jesus”. Small of stature, rock-like in faith, Mother Teresa was an embodiment of love and compassion. Her original name was Agnes Gonxha Bojaxhiu. She was born on August 26, 1910 in Skopje (Macedonia), but she always wrote her birthday as the 27th of August because that was the day of her baptism which was always more important to her than her birth. At the age of 18, she left home in September 1928 to join a Religious Order, the Sisters of Loreto, in Ireland. There she received the name Sister Mary Teresa. The Order immediately sent her to India. On 24th May 1937, Sister Teresa made her Final Profession of Vows and from then on she was called Mother Teresa. She became an Indian citizen that same year.

She was noted for her charity, unselfishness and courage, her capacity for hard work and a natural talent for organization. On August 17, 1948, dressed in a white, blue-bordered sari, she passed through the gates of her beloved Loreto Convent to enter the world of the poor. Members took the traditional vows of poverty, chastity and obedience but they added a fourth vow - to give free service to the abjectly poor. She took an intensive medical training with the American Medical Missionary Sisters in Patna. On 21st December, she went for the first time to the slums. She visited families, washed the sores of children, cared for an old man lying sick on the road and nursed a woman dying of hunger and tuberculosis. After a few months, her former students joined her, one by one.

With the help of the Indian officials, she converted an abandoned Hindu temple into the Kalighat Home for the Dying, a free hospice for the poor. She renamed it Kalighat, the Home of the Pure Heart (Nirmal Hriday). Those brought to the home received medical attention and were given the opportunity to die with dignity, according to the rituals of their faith. "A beautiful death", she said, "is for people who lived like animals to die like angels - loved and wanted". Mother Teresa soon opened a home, Shanti Nagar (City of Peace), for those suffering from Leprosy. In 1955, she opened the Nirmala Shishu Bhavan, the Children's Home of the Immaculate Heart, as a heaven for orphans and homeless youth. In 1971, she opened a home in Bangladesh for women abused by Pakistani soldiers in the conflicts of that time. She travelled to assist and

minister the hungry in Ethiopia, radiation victims at Chernobyl and earthquake victims in Armenia.

Numerous awards, beginning with Padma Shri Award in 1962, the Bharat Ratna in 1980, the Nobel Peace Prize in 1979 honored her work. In addition to this, Mother Teresa has received other awards that include the 1971 Pope John XXIII Peace Prize and India's Jawaharlal Nehru Award for International Understanding in 1972.

During the last years of her life, despite increasingly severe health problems, Mother Teresa continued to govern her Society and respond to the needs of the poor and the Church. By 1997, Mother Teresa's Religious Sisters numbered nearly 4,000 members and were established in 610 foundations in 123 countries of the world.

On 5th September 1997, Mother Teresa's earthly life came to an end. After her death, she was beatified and later canonized as a Catholic Saint. She left a testament of unshakable faith, invincible hope and extraordinary charity. Her mission was to care for, in her own words, "the hungry, the naked, the homeless, the crippled, the blind, the lepers and all those people who feel unwanted, unloved, uncared for, throughout the society, people who have become a burden to the society and are shunned by everyone." Mother Teresa's life and labor bore witness to the joy of loving, the greatness and dignity of every human person, the value of little things done faithfully and with love and the surpassing worth of friendship with God.

What is the difference between 'I LOVE YOU' and 'I LIKE YOU'. Beautifully answered by Buddha: When you like a flower, you just pluck it. But when you love a flower, you water it daily. One who understands this, understands life...

There are only two forces in the world, the sword and the spirit. In the long run the sword will always be conquered by the spirit.

The first and greatest victory is to conquer yourself; to be conquered by yourself is of all things most shameful and vile.

Courage is like love; it must have hope for nourishment.

Dignity does not consist in possessing honors, but in the consciousness that we deserve them.

A man should raise your personality so high that God, before writing his fate, will Himself ask his wish.

The strongest man in the world is he who stands most alone.

What do we live for, if it is not to make life less difficult for each other?

Happiness is a perfume you cannot pour on others without getting some on yourself.

Perfection consists not in doing extraordinary things, but in doing ordinary things extraordinarily.

Words to ponder

Man's highest merit always is, as much as possible, to rule external circumstances, and as little as possible to let himself be ruled by them.

Instead of waiting for the best way, it is better we avoid wrong way and adopt the better way.

Freedom is most precious in this world and history tells that man has paid the price at every turn.

Have a heart that never hardens, and a temper that never tires, and a touch that never hurts.

The mind uncontrolled and unguided will drag us down, down for ever – rend us, kill us, and the mind controlled and guided will save us, free us.

Anything that makes you weak physically, intellectually, and spiritually, reject it as poison.

Fear is an illusion. If you use that energy for self confidence – you will be amazed at the results.

“Failure” looks beautiful when you have a loved one to support you.
“Success” hurts you when you don’t have a loved one to wish you.

When God solves your problem, it means that you have faith in him. But when He doesn’t solve your problem, remember that he has faith in your abilities.

To forget & forgive with tolerating spirit is the best yardstick to have better life in the elderly age.
